Children! Behave!

This issue brings to a close the final chapter of the *Puppet Master* saga, at least as far as comic books are concerned.

When we first started the *Puppet Master* comic book--in what now seems like the early '50s--we had no idea that Full Moon would extend the original movie into a line of sequels. Once that happened, the comic book followed suit--and the sequel to the original *Puppet Master* comic book is now in your hands.

Since Dave de Vries and Glenn Lumsden were the original creators involved in the production of the first *Puppet Master* comic book series, it made sense--and fit in with Eternity's idea of company loyalty--to bring them in on the sequel.

Working from the script and advanced artwork from the upcoming *Puppet Master III*, de Vries and Lumsden have weaved a tangled web of mystery, murder, deceit and puppets that would put Gepetto and Pinocchio to shame. It also manages to work in elements from the first comic book series and the first two movies--no one ever said this job was going to be easy.

The Puppet Master may finally be at rest, but other Full Moon projects are still in the works. Look for *Dollman* in September and *Dangerous Toys* in January.

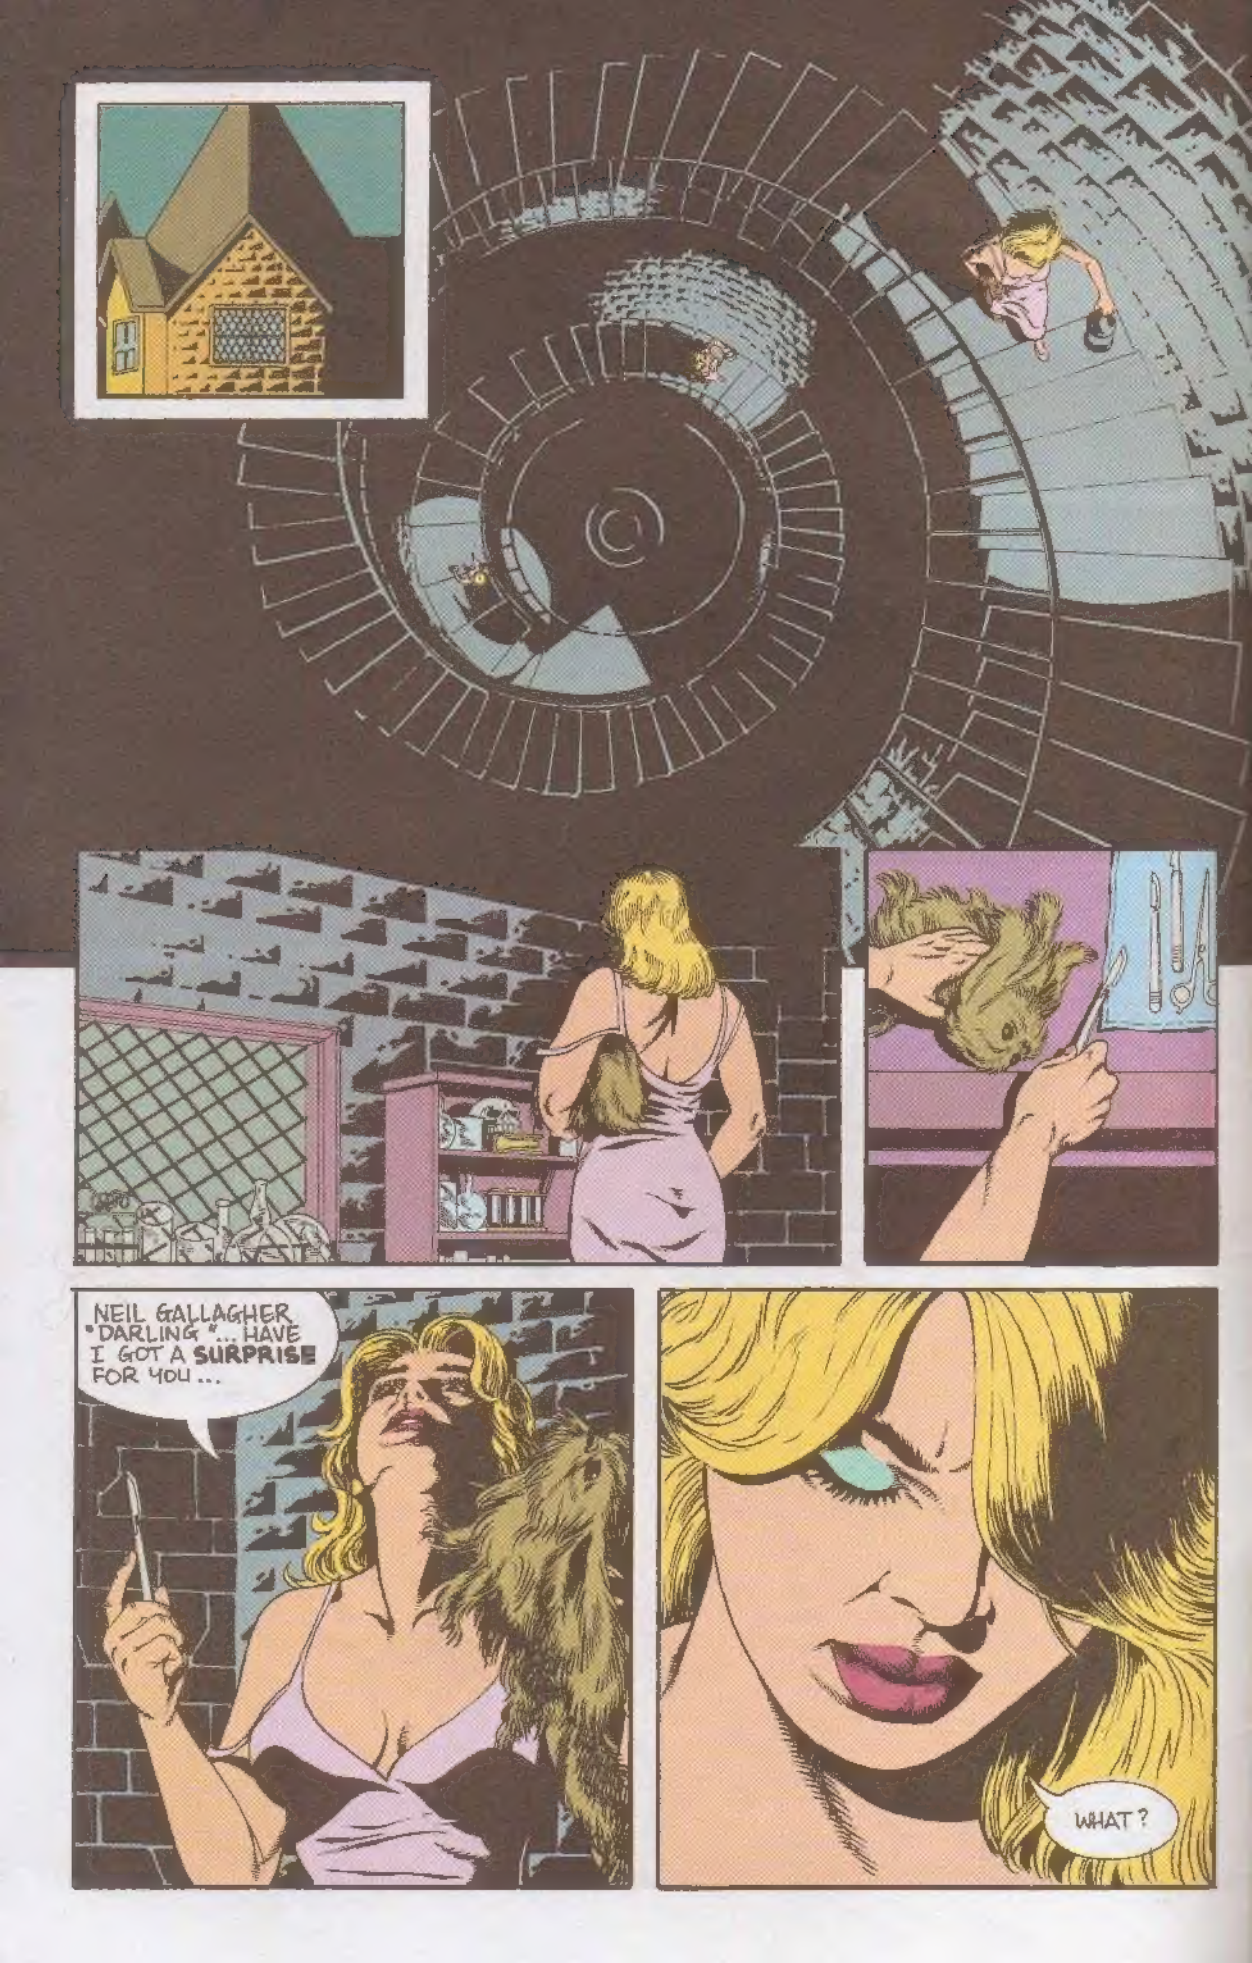
WELL, "LEROY"...
...IT LOOKS AS THOUGH YOU'LL BE NEEDING A NEW MISTRESS...



NEIL GALLAGHER "DARLING"... HAVE I GOT A SURPRISE FOR YOU...
WHAT?

Children of the
Puppet Master
by David de Vries
and Glenn Lumsden
Book II:
A Woman's Touch

SO NEIL "DARLING," YOU MUST BE SO PROUD OF YOUR LITTLE MEGAN.
YOU SEE, IN YOUR OWN WORDS, "USING THE TECHNIQUES OF THE OLD PUPPET MASTER..."
..COUSIN ANDRE...
...I TOO CAN BRING YOU BACK TO LIFE!
THAT IS WHAT YOU WANT, ISN'T IT DARLING?
IT'D BE SUCH A CRIME TO SEE ALL THIS "VAST KNOWLEDGE" HERE GO TO WASTE!
AS YOU SAID, DEAR NEIL, FOR YOU NOW THERE IS NO END.
WHAT?
YOU WANT ME TO READ THIS?
"...LIKE ALL CHILDREN THEY NEED A FATHER'S HAND, AND WITH MY DEATH FAST APPROACHING, I FEAR FOR THEIR FUTURE GUIDANCE. FOR THIS..." NO? I SEE, LOWER...
My profound hope is that these words will be read at some future date by my cousin Paul, or perchance his children, and that they will provide my darling puppets with the love and protection they so clearly desire.
